

### **JP EXAM - for renewal only**

Every time you renew your license, you must take the jurisprudence exam. The exam is "open book", meaning you can read through the rules to find your answers. (NOTE: The jurisprudence exam is one part of the renewal process)

When you pass the exam, you will see a page with the results of your exam and a 10-digit **EXAM KEY CODE**

. You will need the code and your license number to renew your license. The Key Code is a combination of letters and numbers.

**YOU MUST PRINT OUT OR WRITE DOWN THE KEY CODE** before you leave the page, or you will have to take the exam again to get the key code. **AGENCY STAFF CANNOT GIVE YOU THE KEY CODE OVER THE PHONE.**

You may not renew online after your license expires. For assistance with this or any other renewal question or problem, please contact the Renewals Dept. at **512/305-6900**.
